

## **WORKSHOP ON EDUCATION FOR HIGHER EDUCATION INSTITUTIONS PROVIDING UNDERGRADUATE NURSING EDUCATION**

**6–7 November 2025**

### **Workshop Purpose**

The aim of this workshop is to raise awareness among coordinators and faculty members of undergraduate nursing programs who plan to apply for HEPDAK accreditation, and to support institutions in their work throughout the accreditation process.

### **Learning Objectives**

- Explain the accreditation process and its principles
- Define HEPDAK Undergraduate Nursing Education Standards
- Provide examples of key points to consider during the preparation of the Self-Assessment Report (SAR)
- Fulfill the responsibilities of institutions before, during, and after the evaluation
- Write a self-assessment report in accordance with the criteria for at least one of the HEPDAK Undergraduate Nursing Education Standards
- Explain the on-site and virtual visit processes
- Recognize the benefits that accreditation provides to institutions
